The Honorable Kay Granger
Ranking Member
House Committee on Appropriations

I am requesting funding for the **Emergency Department Renovation and Expansion project** in fiscal year 2023.

The entity to receive funding for this project is Children's Health System of Texas, located at 1935 Medical District Drive Dallas, Texas 75235.

The funding would be used to modernize the Children's Medical Center Dallas Emergency Department to improve patient care and meet the needs of a growing pediatric population. In 2021, the Children's Medical Center Dallas Emergency Room saw more than 100,000 children. Children's Health receives and treats a large portion of children within the community, and this renovation will enable the organization to better serve families across the Dallas-Fort Worth metroplex and North Texas.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'C. Allred'.
